

Curry Bases

Blends of herbs, spices and functional ingredients which when mixed with store cupboard ingredients make delicious curry dishes. Use these as they are, or as a base for developing your own products with our team.

Curry Bases

Our 'Portfolio Box' contains base mixes that are ideally suited for development into customer flavour profiles by our in-house technical team.

- Korma
- Tikka Masala
- Madras
- Tandoori Chicken
- Bombay Potatoes
- Onion Bhajis
- Saag Aloo
- Tarka Dhal

Our 'Off The Shelf Range' contains exciting flavours which have been developed and tested by us. We understand how demanding the NPD environment can be - so each of the products below are available as complete mixes ready for immediate dispatch.

| | |
|------------------|--|
| Korma | A rich and creamy mild curry. This is perfect for those who prefer their Indian food with less chilli whilst still capturing all the spice authenticity. |
| Tikka Masala | Arguably the most famous Indian dish in Britain, a warm creamy spiced curry that is full of flavour enough to tantalize any taste buds. |
| Madras | A hearty tomato based curry with the prominent spices of coriander, cumin and chilli developed to set your taste buds alight. |
| Tandoori Chicken | A blend of aromatic ginger and garlic enriched in a creamy sauce delicately spiced with authentic Indian spices. |
| Bombay Potatoes | A hugely popular side dish in the UK. Just add our spice pack to transform your potatoes, perfect to fit for any Indian banquet. |
| Onion Bhajis | A popular and firm favorite Indian snack of deep-fried crispy onions. |
| Saag Aloo | A traditional blend of spinach, potatoes and spice mix the perfect side dish to liven up any meal. |
| Tarka Dhal | Spice up your lentils with our Tarka Dhal spice pack and create a delicious dish of creamy lentils and spices. |

We strive to make our products as healthy as possible. Log on to our websites for full details
