

# Sauces & Marinades

Tastier | Healthier | Better

# Sauces

Our water based sauces are colourful blend of herbs, spices, fruit and vegetables which when added to any meal add taste, flavour and make a visually attractive dish.

# Marinades

Our oil based marinades are packed with an intense blend of herbs, spices, fruit and vegetables which infuse flavour. They tenderise meat products, adhere well, and have a high sheen.

## Key Benefits

---

### Standard Stocked Flavours

We have standard off the shelf flavours to provide initial inspiration, or a base to start your own custom blend. We have a great range of 14 standard sauces and 24 standard Marinades.

### HVO Free

We have worked hard over the past year to remove hydrogenated vegetable oil from all of our sauces and marinades. HVO has been linked to heart disease and is already banned in Denmark and Switzerland.

### Gluten Free

The rise of coeliac disease in the UK & Ireland is up four fold over the last 20 years, with 1 in 100 Britains suffering from the disease or avoiding gluten as a health measure, for this reason we have removed it from our sauces and marinades.

### Easy to Apply

Available in sachets, pails or bottles, 25 litre drums, 200 litre totes and 1000 litre palletainer.

### Consistency

Viscosity can be adjusted to suit your application.

### High Sheen

All of our marinades offer a high sheen, making the meat more appealing to the end consumer.

### Tenderise

All of our marinades tenderise the meat and work best when left overnight.

### Halal & Kosher Certified

A copy of the certificate is available on request.

### IFS Food Accredited

Achieved at higher level.

### Advanced Processing Techniques

Such as nitrogen grinding for optimal flavour.
