

Spice Sheets

Convenient | Efficient | Profitable

Introduction

Scobies Spice Sheets are a time saving product innovation from our very own development labs. We have identified a better way to achieve consistent results in joint spice coverage and created spice sheets to make your life easier and more profitable

Key Benefits

Any Size

We can manufacture our spice sheets to fit your work flow and joint dimensions.

Consistency

Our spice application sheets ensure that your joint has a consistent and uniform covering across the whole surface.

Easy to Apply

Spice sheets are very easy to apply and require no specialist training. Simply take the sheet, place it on the joint and vacuum seal as normal. We can also specify your sheet with a blank end for easy sealing and clipping.

Product Varieties

We have a core range of Spice sheet recipe's in stock however we can create customised blends to suit you and your customers tastes. Our core range include: Pepper & Pastrami.

Complete Solution

We can also provide our spice sheets within fibrous or plastic casings leaving the ends blank for easy clipping.

Summary of Key Benefits

Consistent - the same coverage each and every time

Evenness - the same thickness of spice

Speed of application - applied in seconds

Easy to use – no training required

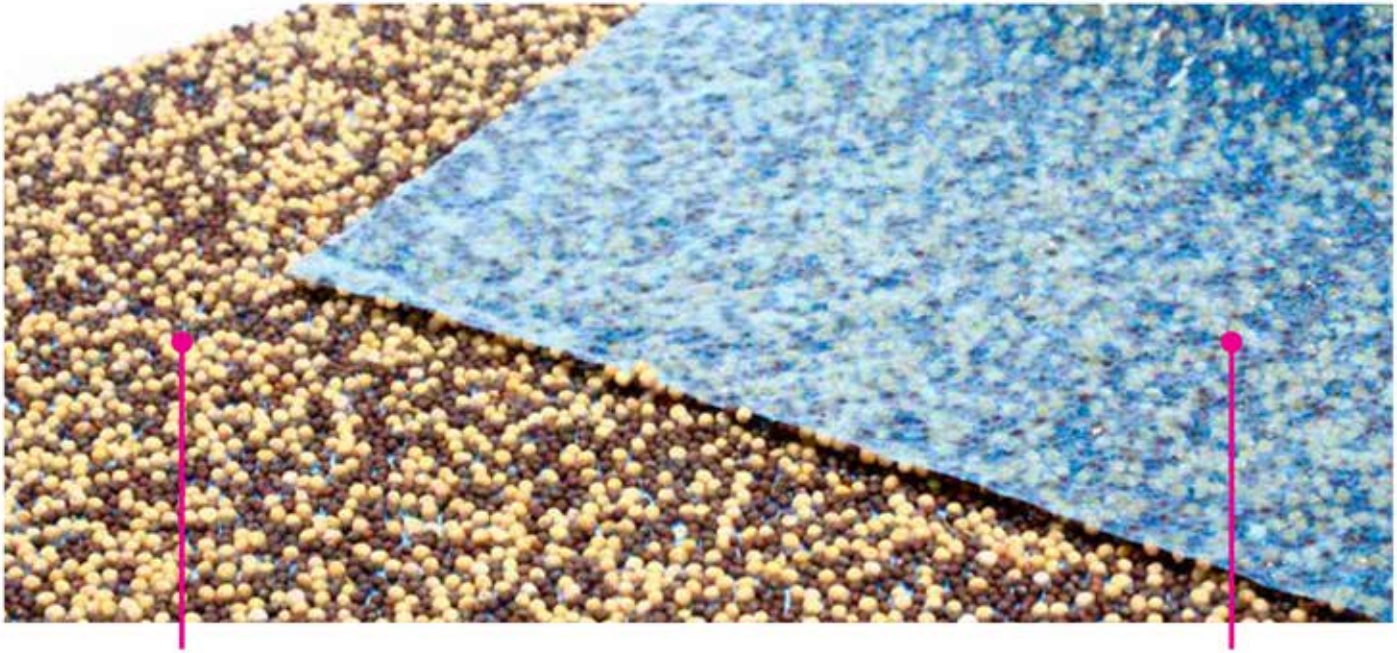

Allergen Control – reduce cross contamination risk

Variety: almost all spices and herbs can be used.

Reduced wastage.

Custom Sizes - No minimum flat width and no maximum length.

Cost control – know exactly what each sheet costs

consitent coverage

Blue Food Grade Sheets

Pepper Coating

Pastrami Coating

Manufacturing

Specialist Manufacturing.

Each spice sheet is manufactured in our state of the art blending facility which ensures high levels of quality and consistency. Our safety and hygiene protocols exceed the industry standard BRC requirements and we review and improve our processes on a regular basis.
